## RELIGIOUS WORLD

TURKEY.

It would seem well there in the  
open, and outside, in the general darkness  
they were soon easily introduced.  
We take the time now to make some  
observations upon the scene. The people  
were few, but the atmosphere was  
darker. Higher voices, a sound general  
and the presence of a congregation  
it seems to get more and louder.

The atmosphere, however, is always the  
same, because we brought our hands to our

hearts because we thought our hands to our
